A costly water meter in every flat is
the latest Aldermanic scheme.The Government should break up
the Phone Trust.Judge Thomas F. Scully is making
a fine record on the Municipal Court
bench. He is a hard working and
conscientious judge.Talk about Telephone Tyranny:
From the Chicago Tribune July 20,
1913:Suits against the Chicago Telephone
company to force it to replace tele-
phones taken out of his drug store
and to recover damages, it is expected,
will be filed next week by M. W. Rankin
of 3538 South State street.The action of the company in tear-
ing out telephones because subscribers
also had the automatic service will
be one of the first things called to
the attention of the new complaint
bureau when it is organized within
a few days.That the company has the right to
give or refuse service to druggists or
those having public telephones was
the contention yesterday of A. R. Bone,
commercial superintendent of the com-
pany. This was denied by Ald. Sitts,
chairman of the gas, oil and electric
light committee, which drew up the
ordinance under which the company
is operating."The druggists and others are merely
agents for the company," is the ex-
planation Mr. Bone gave. "They are
working for us and we can discharge
them if we wish. They cannot repre-
sent us if they also represent a com-
peting company. These men are paid
to have the telephones in their places
and we have the right to control
them.""That is rubbish," commented Ald.
Sitts. "The telephone company must
give service to any person or firm in
Chicago demanding it if it is physical-
ly possible. There is nothing in the
ordinance giving this so-called right.
The complaint bureau will be ready
to start work in a few days and these
cases probably will be among the first
taken up."Following is the Election Calendar

No imported beer on the market to-
day has met with greater success than
that handled by August Luchow. The
Original Pilsener, from Pilsen, Bo-
hemia, is sold by this big concern, as
is also the famous Würzburger Hof-
brau from Würzburg, Bavaria. These
beers are the favorites at Chicago's
leading clubs, restaurants and buffets.
They are without a peer. The Chicago
office of August Luchow are located in
the Stock Exchange building, 90
North LaSalle street and are under
the management of Hans Luchow. Mr.
Luchow has made a splendid record
for the business in the West and he
enjoys a widespread popularity among
Chicago's leading business men and
citizens.—Advertisement.
